Policy Statement.

The Little Meadow Group strives to promote children's rights to be strong resilient and listened to by creating an environment in our setting that encourages children to develop a positive self image, which includes their heritage arising from their colour, ethnicity, their languages spoken at home, their religious beliefs, cultural traditions and home background.

We aim to promote children's rights to be strong resilient and listened to by encouraging the children to develop a sense of autonomy and independence.

We aim to promote children's right to be strong resilient and listened to be enabling children to have the self confidence and vocabulary to resist inappropriate approaches.

We will help children to establish and sustain satisfying relationships within their families, with peers and with other adults.

We aim to work with parents to build their understanding of, and commitment to, the principles of safeguarding all our children.
